THE WELLER REMAN NETWORK

A Weller Warranty Wins Every Time.

Many multi-year and extended warranties are not worth the paper they're printed on. For starters, most failures will present themselves almost immediately and certainly within the first year. That means that a multi-year warranty or an expensive extended warranty will either never be used or it may be denied in years two and three. Worse, it may take months or more to process your claim at the competition. Weller resolves over 55% of warranty claims over the phone or live chat with our dedicated team of professionals. We won't make you wait weeks or months to process a warranty and we won't just throw parts at problems. The Weller Way is our guarantee that when you buy quality and integrity, you don't need a gimmicky warranty. **Don't Buy the Paper. Buy the Performance. Weller Reman.**

With Weller, you are guaranteed fair and prompt service when you have a problem, not the run-around when you need us most. **Our promise to you is backed by our best-in-class warranty.**

This warranty covers parts and labor to repair or replace, at Weller's option, the failed Weller component. Units installed as replacements under this warranty are warranted only for the remainder of the original warranty period.

This warranty does not cover failures caused by a worn, damaged or defective part or component mounted to the unit by the dealer or retail purchaser, including without limitation, the transmission end yoke.

All warranty claims shall be made to Weller and shall be supported by satisfactory evidence in respect of the conditions stated herein. As a condition precedent to the allowance of such claims, the component or assembly involved shall, if requested by Weller, be returned prepaid to Weller for examination.

LIABILITY ON THE PART OF WELLER FOR DAMAGES, EXPRESSLY INCLUDING CONSEQUENTIAL DAMAGES IS DISCLAIMED.

This warranty may not be changed or modified in any way except in writing by Weller.
